

Mobile Meat hook scales approvable

2820/7760

- ▶ Mobile meat hook scale
- ▶ E.g. for weighing game
- ▶ Calibratable class III
- ▶ Incl. Terminal 3010 with battery
- ▶ Protection class IP65

Features

The meat hook scale is ideal for mobile use in the food industry. The scale is completely made of stainless steel and can therefore be cleaned professionally. The scale is operated via the connected Terminal 3010 with integrated battery. The functions weighing, taring, hold etc. can be easily operated via a 10 keypad. The meat hook scale can be combined with all Soehnle Professional Terminals

Hunters, who can weigh the shot game directly on the spot, appreciate the hook scale as much as anglers, authorities or colleagues in further processing. Furthermore, the scale can be used for all mobile applications. For example for weighing big bags or other hanging objects.

- ▶ For mobile use
- ▶ Protection class IP 65
- ▶ Calibratable class III
- ▶ Own weight of the hook scale: 2,65 kg
- ▶ Dimensions: 200 x 75 x 395 mm
- ▶ The meat hook scale is permanently connected to the terminal 3010 via a 3 m long connection cable.
- ▶ Terminal 3010: Incl. accu, protection class IP 67
