

Baby scale "Cosy"

8310.02

- ▶ Simple operation
- ▶ Easy to read LCD display
- ▶ Easy to clean plastic housing
- ▶ Tare, hold and memory function
- ▶ Energy-saving auto-off function

Features

The Soehnle Professional Baby Scale 8310.02 is an elegant baby scale. With its rounded corners and the comfortable plastic bowl, safety and hygiene are top priority. Functions such as the hold function and the memory function for the last weight value enable the baby to be weighed quickly and without stress. In battery mode, the scale can be used on the move and is energy-saving thanks to the integrated auto-off function, as the scale switches off automatically when not in use.

- ▶ Easy to read LCD display
- ▶ Tare function: Covers/paddings can be tared
- ▶ Hold function: The weight value is frozen, after unloading, the scale automatically returns to zero
- ▶ Memory function: The last weight value determined can be recalled
- ▶ Easy to clean plastic housing
- ▶ Simple operation
- ▶ Units in kg or lb
- ▶ Energy-saving auto-off function
- ▶ Battery operation with 4 AA batteries (included in scope of delivery)
